A UNIQUE LOCATION

Nestled along the historic Veerhaven, Louise is located in one of Rotterdam's most picturesque and storied neighbourhoods. Lined with grand merchant houses, leafy quays, and classic sailing vessels, the Veerhaven offers a glimpse into the city's maritime past.

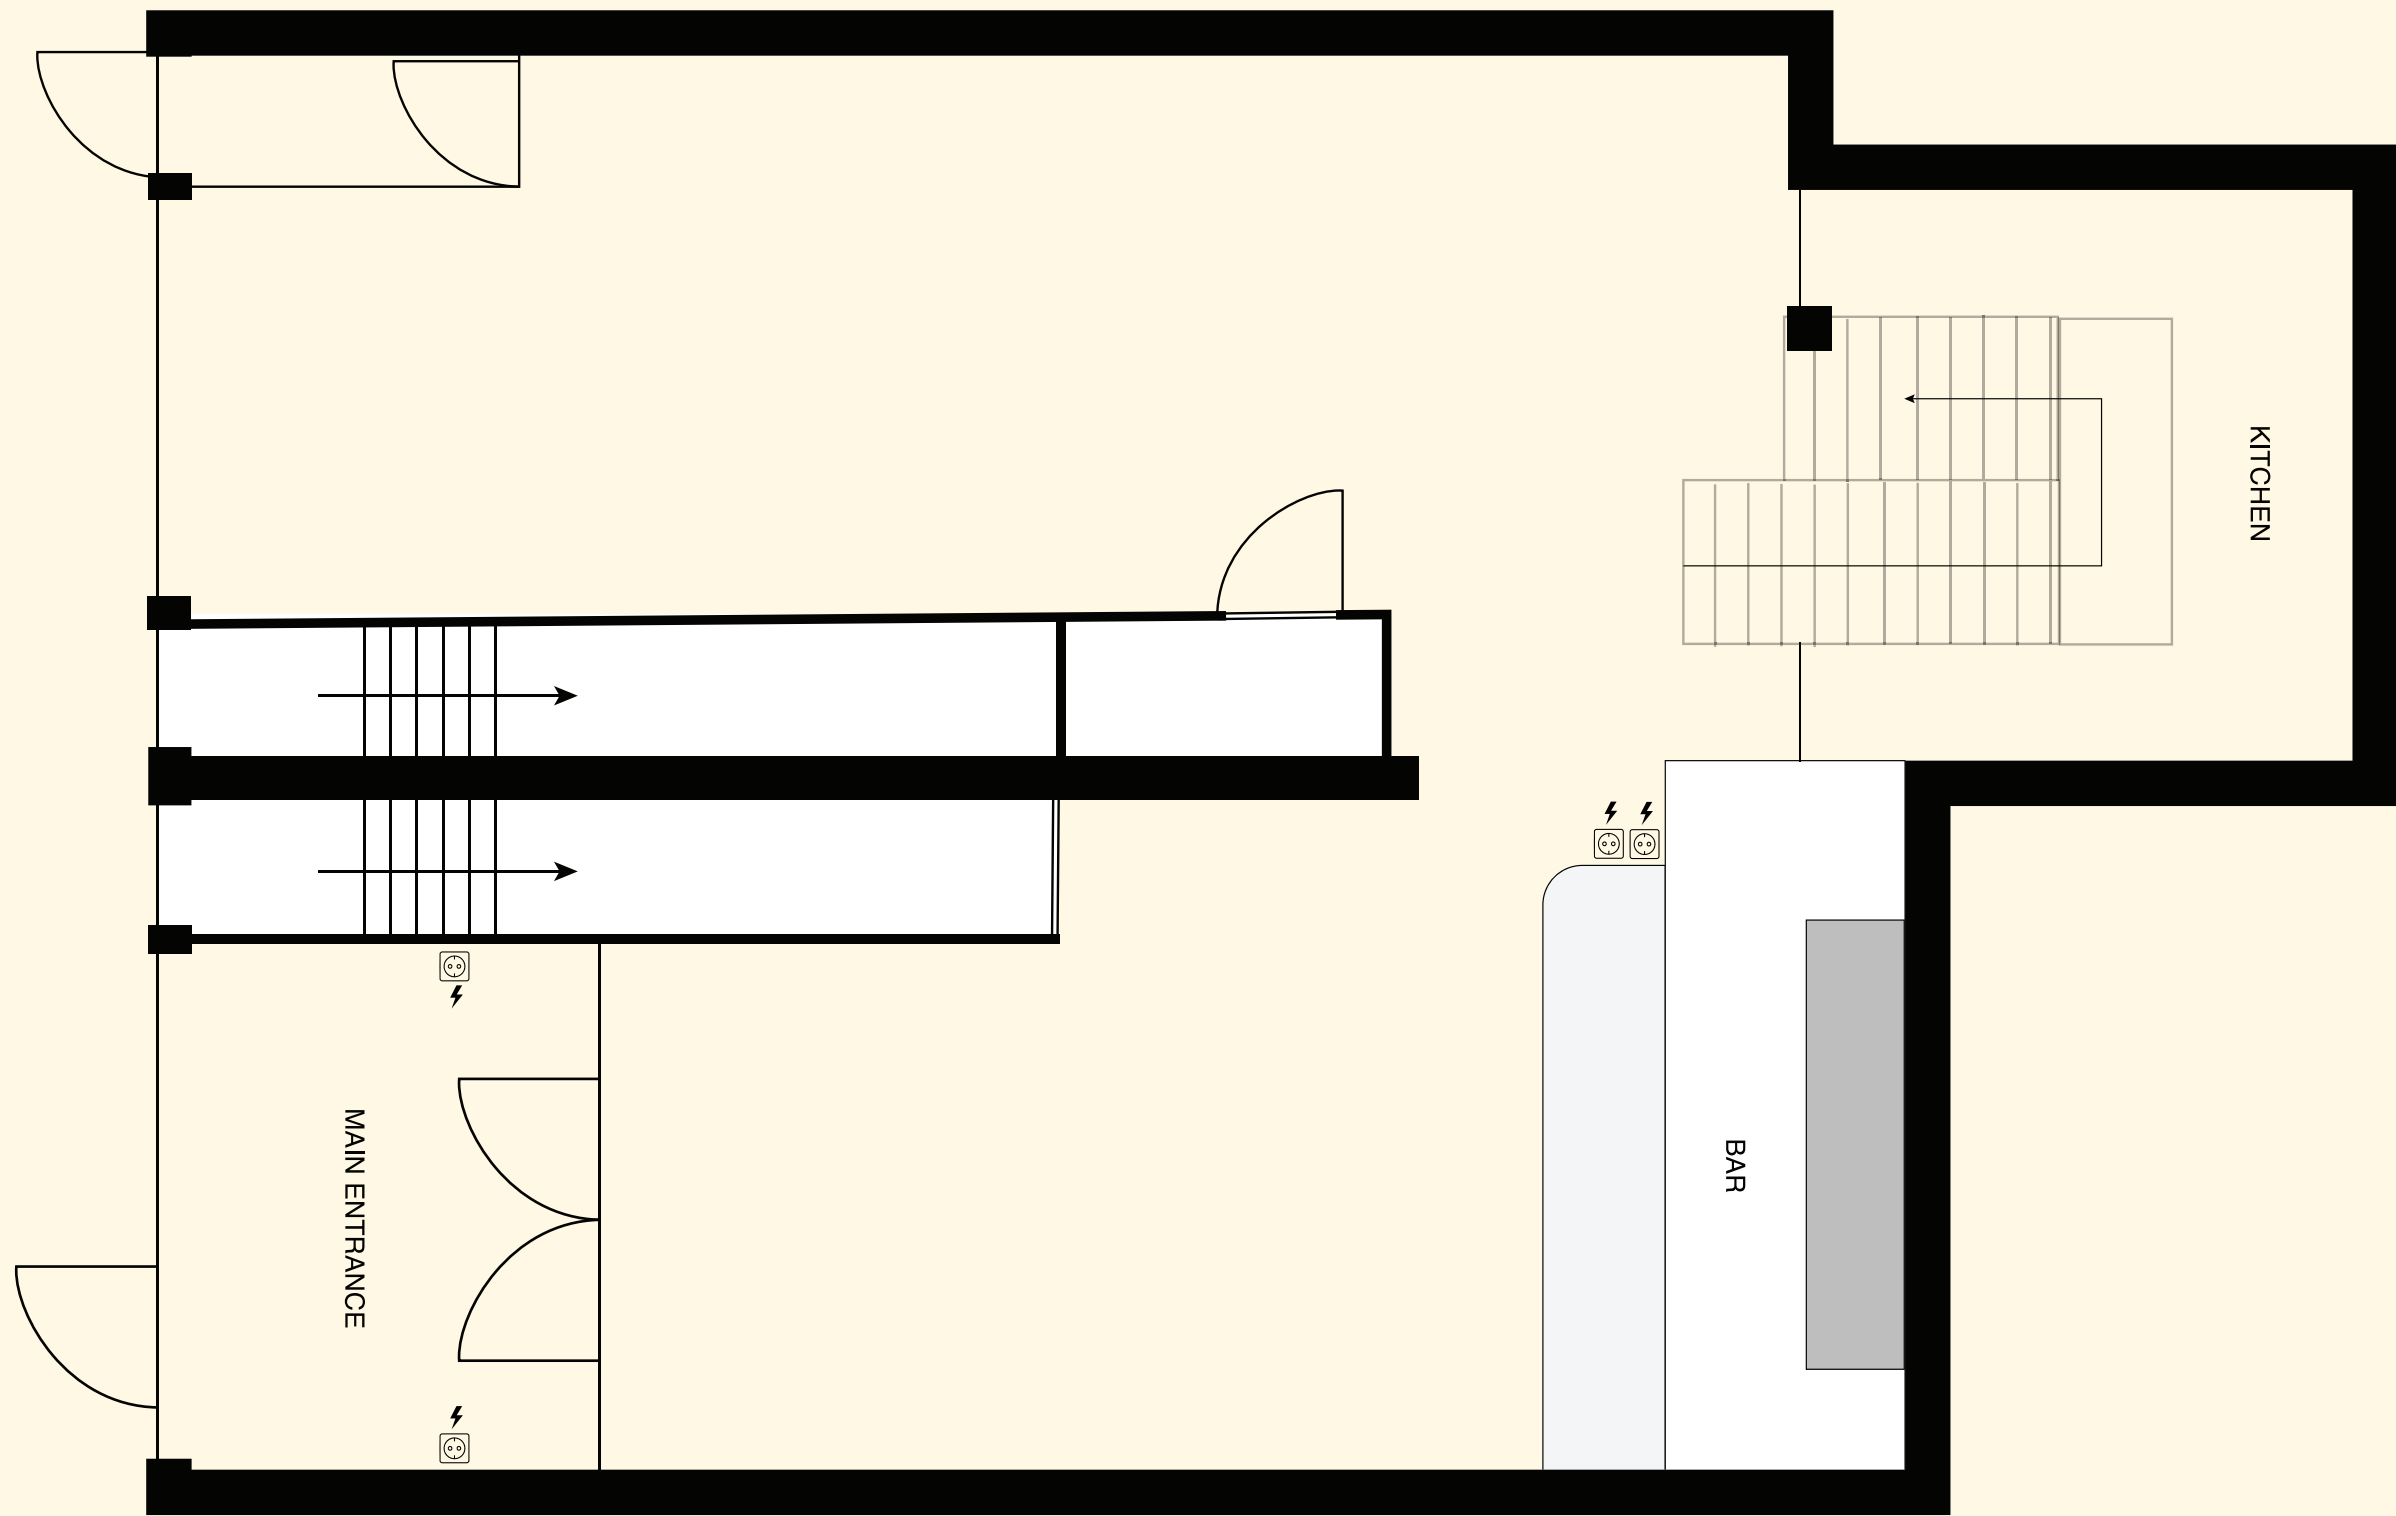

Unlike much of Rotterdam, this area survived the bombing of the Second World War, making it one of the few places where the character of old Rotterdam can still be experienced today. What was once a bustling harbour for merchants, yachts, and shipping companies has evolved into a peaceful waterfront setting, rich in history and charm.

Today, the Veerhaven is widely regarded as one of the most beautiful locations in the city. Surrounded by historic architecture and overlooking a harbour filled with traditional ships, it provides a unique backdrop for memorable gatherings, celebrations, and special occasions.

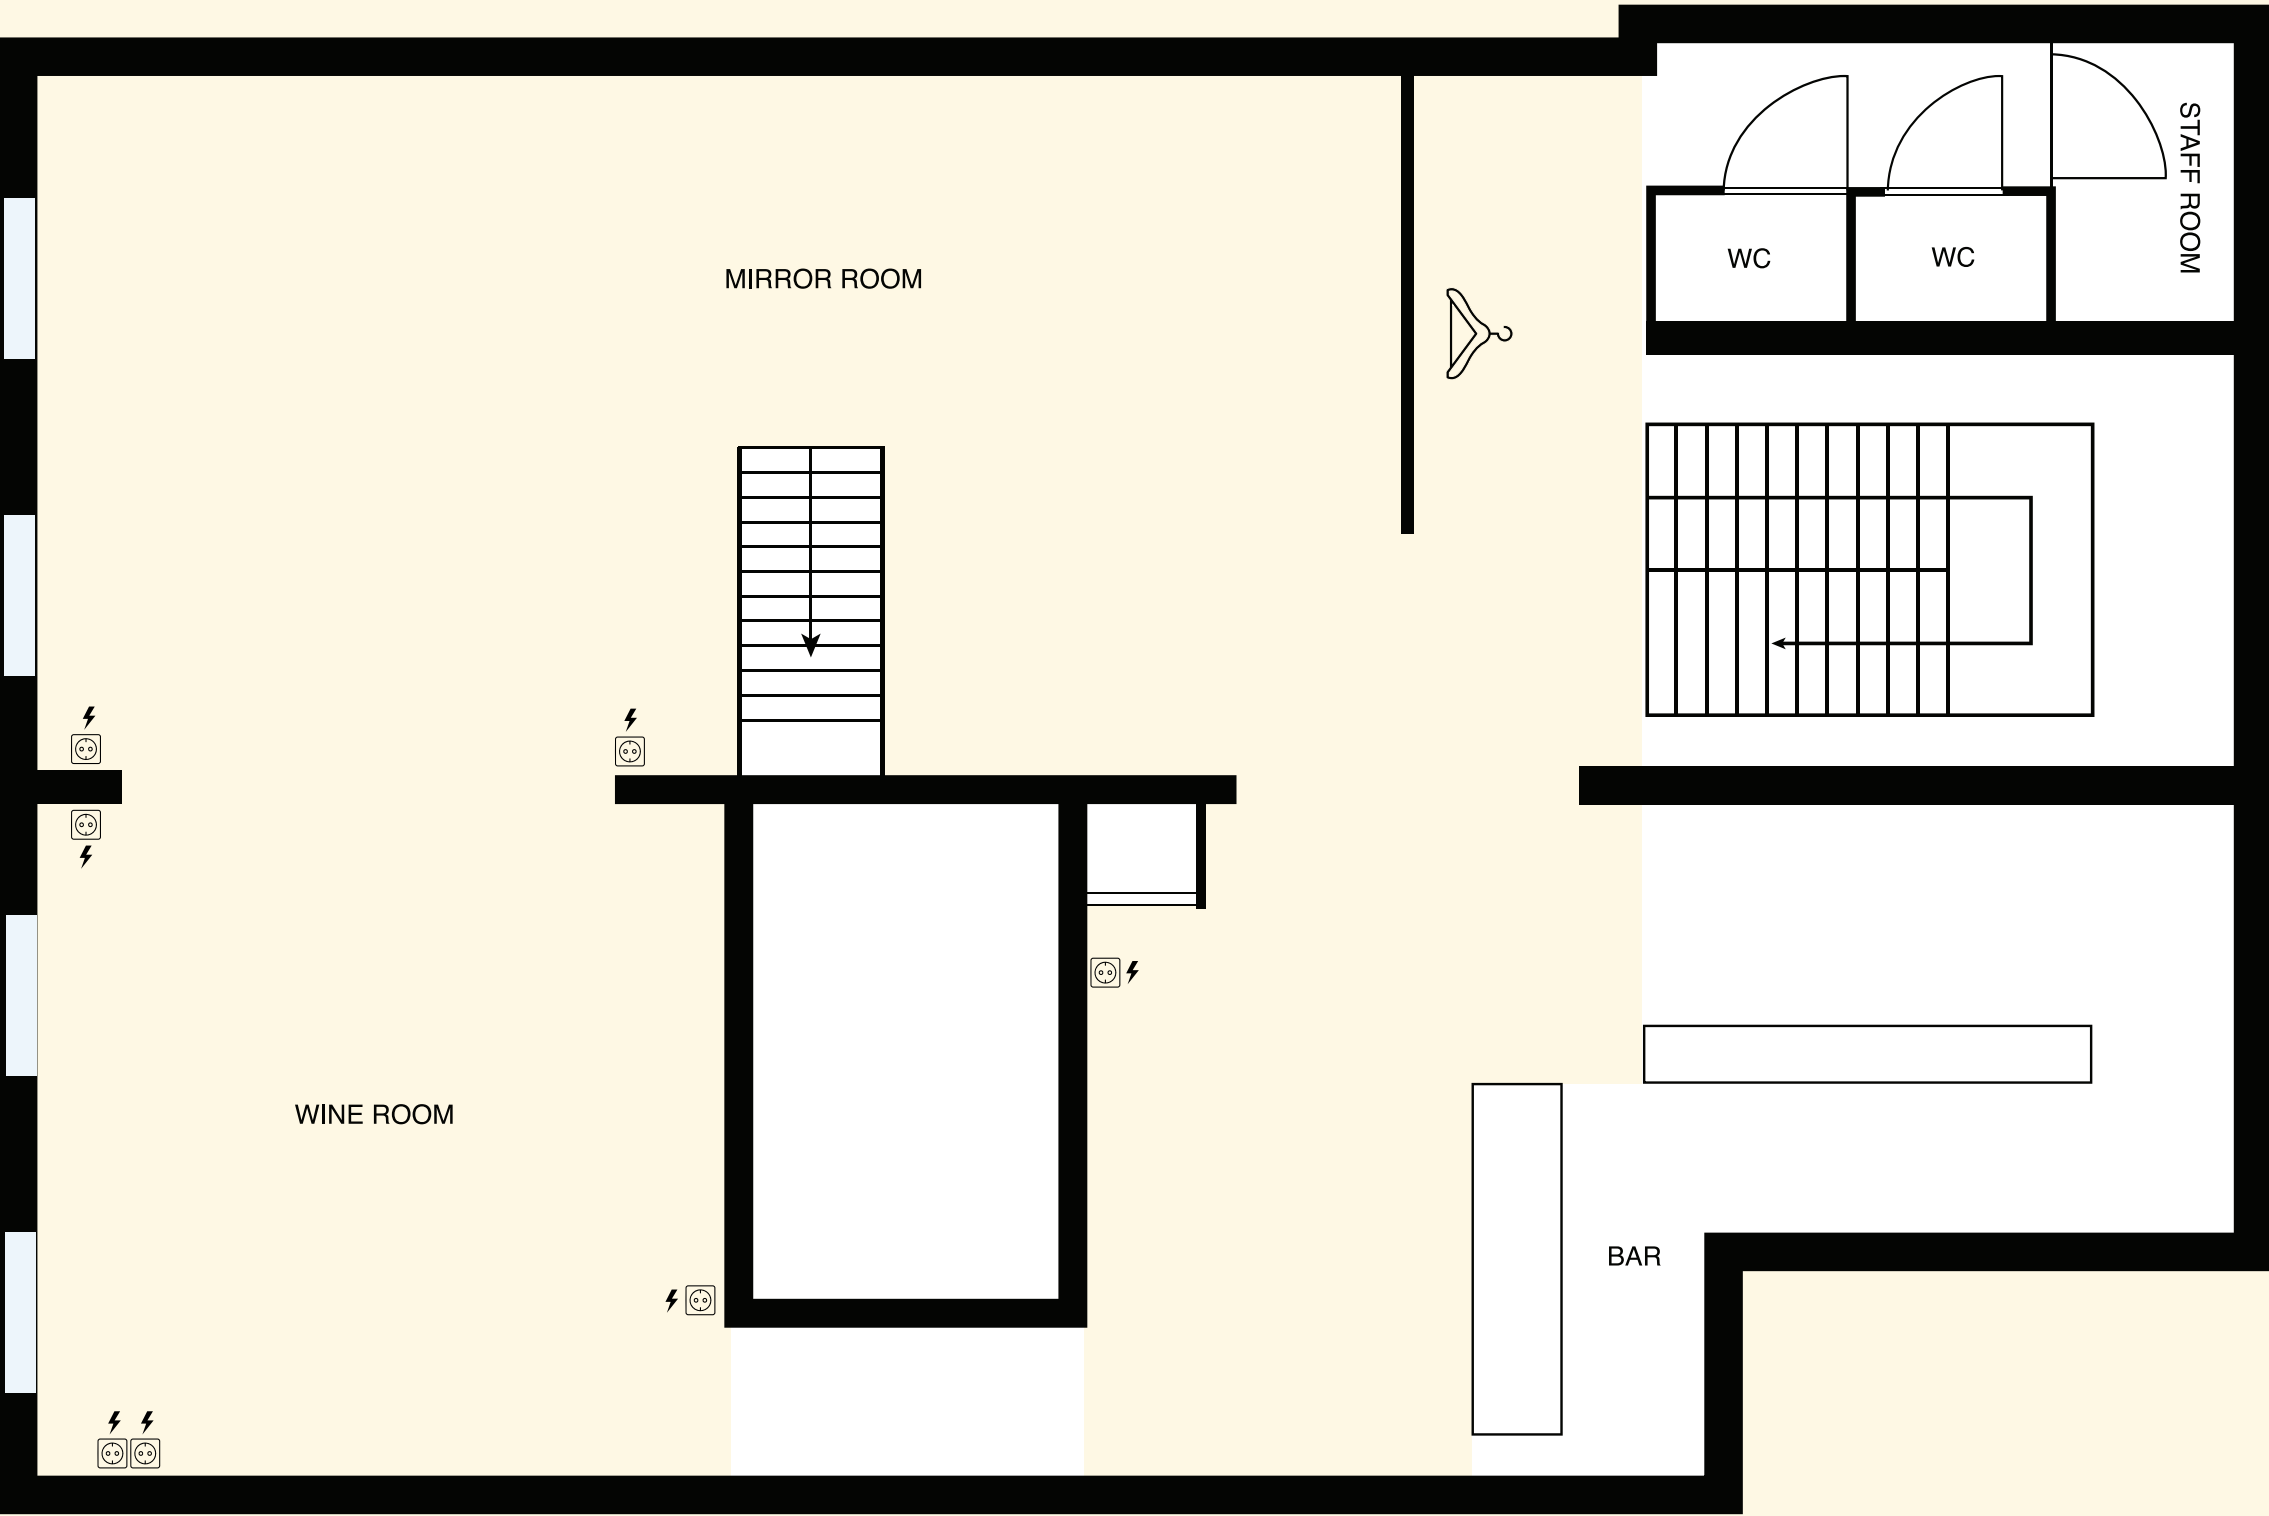

GOUND FLOOR

The Ground Floor at Louise is exclusively available as part of a full venue hire. Combining the warmth of a traditional French bistro with the energy of an open kitchen, the space is framed by long red banquettes, elegant mirrors, and views over the Veerhaven. Vibrant yet intimate, it provides a beautiful setting for larger celebrations, private events, and exclusive gatherings. Designed for bringing people together, the Ground Floor captures the lively atmosphere and timeless charm that define Louise.

FIRST FLOOR

The First Floor at Louise is available for partial venue hire, offering a more intimate setting while preserving the charm and atmosphere of the restaurant below.
